

SKOLAEUPRAHA 

Fair trade

High School for EU Administration

What is Fairtrade?

- international non-profit organisation
- trying to secure farmers and workers of developing countries
- grow plants with respect for environment
- fairly paid for their work

Main goals

- defend human rights by promoting development of social justice
- develop opportunities for disadvantaged producers
- protect children from taking part in the production process

What have we accomplished?

30th March 2022

What have we accomplished?

What are we planning in the future?

Any Questions
