# Ha' Penny Bridge

Anna, Elisa, Justyna, Lenka,

# We have learnt

Financováno  
Evropskou unií

- That analogies or metaphors are a good way of explaining complex matters to students (SAMR)
- Cooperative learning has changed our perception of the term itself
- Creative application of available sources (space, music, films, people's experience)
- How to release tension and stress through mindfulness activities
- That teaching and learning should be active
- Quote of the week: „By teaching others we learn the most effectively“

# Temporary Dubliners

# „We feel, therefore we learn...“

- Oh, I want to organize a happy hour in my garden with my colleagues and talk about this experience

- Cooperative learning (Kagan, Johnsons' Brothers)
- Share-reading technique
- Quiz-Quiz

- Station rotation
- Shared reading technique
- Sage and speaker
- The origami tree

- Building cross-cultural contexts in literature courses (National Gallery – Context4Content)
- Using cooperative learning techniques with students (quiz-quiz) + Reading Comprehension
